28.11.2025

Attendance

- All 3 members attended the meeting
 - Liam joined via Teams call as he felt a little unwell
-

Purpose of meeting

- To discuss progress with our individual sprint tasks
 - General check in
 - Ask any questions to each other regarding tasks, problems, and timeline
 - Dedicate time to working on our tasks
-

What we did

- Liam, as project leader, checked in with us and updated us with his own progress
- We all showed each other our research documents that we have been working on
- We did a mental health check
- After the discussion we worked on our individual tasks for the next couple of hours
